# PERUVIAN GEOGRAPHY DIVERSE, ANCIENT AND NATURAL

“This place has so many natural and cultural treasures that have fascinated people for hundreds of years, and still fascinates them today.”

## Geography and Climate

**P**eru is located in the west of South America, and has borders with Ecuador, Colombia, Brazil, Bolivia and Chile. It has sovereignty over 1,285,215 km<sup>2</sup> of land and 200 nautical miles of the Pacific Ocean, as well as 60 million hectares of the Antarctic. It is the third largest country in South America and one of the 20 largest countries in the world. Its sovereignty extends over 200 nautical miles.

Peru is an extremely diverse country, with 11 ecological regions and 84 of the world's 117 different types of “life zone”. It has a huge variety of scenery thanks to its geography, which also provides it with a wide range of natural resources. The country has 3 main regions according to the traditional method of dividing the country by altitude: coast, mountains and jungle.

## About Peru

**T**he Incas forged an incredible civilization that learned how to tame the geography of Peru.

This ancient society lived in harmony with the rivers, the sun, the rain, the ocean, the jungle, the Peruvian mountains and the cold dryness of the Andes, consequently adapting to the weather, their surroundings and surviving thanks to Mother Earth's gifts.

Experience Peru and discover a wealth of different worlds, all with their own individual landscapes, sounds, colors and tastes; travel back in time to ancient civilizations and share the great cultural heritage of the Peruvian people. Many destinations and experiences such as Peru's coast and mountains can only be explained by seeing them in the flesh. The beating heart of its roots and destinations.

Modern and cosmopolitan, Peru's cities delight locals and tourists alike with a variety of entertainment, art, design, music, and one of the richest and most prestigious cuisines in the world.

## Why Visit Peru

**E**very place on Earth is fascinating and unique, but Peru is one of those

countries that manage to stand above the crowd. This place has so many natural and cultural treasures that have fascinated people for hundreds of years, and still fascinates them today. There is an incredible amount of interesting history easily accessible to any traveler. Whether it is through visiting a museum, wandering around a town or village, or hiking to one of the hidden Inca ruins, you will always be surrounded by the strong presence of history and of their cultural influences.

The ancient Inca ruins are considered to be some of the most beautiful and mysterious sites in the world. Among the most impressive are the ruins at the Sacred Valley and Machu Picchu; best experienced when hiking the Inca Trail. There are thousands of reasons to go to this great destination, but here are 5 reasons why you should visit Peru.

1. To experience Peru's ancient ruins and culture
2. To meet the people
3. To enjoy their handcrafts
4. To see firsthand its natural diversity
5. To indulge in their cuisine
